

# THE Day Student PROGRAM AT EAGLE RANCH SCHOOL

A new program for struggling students and their families

## Is your student struggling at school? Could your family relationships be better? Eagle Ranch can help.

**THE EAGLE RANCH DAY STUDENT PROGRAM** is a new opportunity for families with students entering grades 4-5 that allows children to live at home but experience the healing community at Eagle Ranch. Our SACS-accredited school has decades of experience helping students who are struggling in areas such as behavior, social relationships and academics.

In a Christian environment, we help your child become a successful student while providing your family the support needed to improve relationships, create a more peaceful home environment and gain the tools needed to manage future challenges.

**LIMITED OPENINGS ARE AVAILABLE** for our pilot school year (2023-24). Families are encouraged to inquire as early as possible. Once openings are filled, families will be put on a list for future consideration.

“This school has shown my son that he can be successful and enjoy learning again. I love the new and innovative ways that are used at the school to keep students engaged and active in the learning process.”

**WE ARE NOW  
ENROLLING**  
*for the 2023-2024 school year*
